MARINER LETS YOU CHOOSE

As well as the other advantages of insuring with Mariner, including membership to the Skippers Club, you can enjoy the flexibility of our Plain Sailing Premium Plan.

If you want to pay your annual premium up front, that's fine. But, if you prefer to spread the load, we can offer a variety of options to make it easier for you.

YOU SAY WHEN....

You pay your premium by direct debit from your bank account and may choose a frequency of:

- Fortnightly
- Monthly
- Quarterly, or
- Six Monthly

You can also specify the day of the week for fortnightly payments, or day of the month for other payment options, that your instalment is deducted from your nominated bank account

YOU CAN CHANGE YOUR MIND

If you want to change your payment option at any time, you can. You may also switch from an instalment option to annual premium payment at any time.

MISSED INSTALLMENTS

If you miss your monthly instalment a letter will be sent to you advising of the default.

On receipt of this letter you may either make payment by cheque or credit card prior to the date advised by the letter, or a double instalment will be deducted from your bank account at the next instalment date.

In the event that two instalment premiums are missed consecutively, the instalment arrangement may be withdrawn and the policy cancelled.

FEES

There is a service fee added to all instalment premiums. This is currently 10%. For example

Premium	\$230.00
Fire Service Levy	\$ 18.98
GST	<u>\$ 31.12</u>
Total annual premium	\$280.10
10% service fee	<u>\$ 28.01</u>
Total premium due	\$308.11

12 x Monthly instalments of \$ 25.68
